

JourneyPRO is your solution for workflow and job management.

Delivering route optimisation and scheduling, with on-the-go notifications and live-tracking to clients and administration staff.

Make more informed decisions when you manage your workflow within a central location.

RIGA JourneyPRO allows you to track everything from manufacturing progress, stock delivery status through to a specific parcel or service delivery to your customers.

Merge all your operations into one place – no more loose forms, spreadsheets or lost paperwork. Experience instant proof of delivery with electronic sign-on-glass as part of your RIGA JourneyPRO set up.

CLIENT QUOTE

“Multiple customers say that they love getting the SMS, and being able to click on a link and see that their fitter is on the way ... they think it's an excellent experience.”

Instant Windscreens' customers were quick to give positive feedback on the automated real-time alerts.

Workflow and Scheduling

Provides built in route optimisation and delivery grouping, allowing you to recover time spent on route planning.

Respond and action on-demand delivery and pickup requests. Delete, re-assign or re-route with ease.

Get actionable insights on the status of your vehicles and monitor speed, dwell time and off-route information. RIGA JourneyPRO empowers you to streamline your operations with rich data that will maximise efficiency and safety.

Delivery Integration

Drivers and service providers are enabled to value add with RIGA JourneyPRO's ability to generate invoices for additional services on the spot (eg: assembly, removal), increasing sales and enhancing the customer experience.

Customers are prompted to provide feedback on your product or service directly from within the RIGA JourneyPRO interface.
